AOR

COSTA RICA COLLECTION

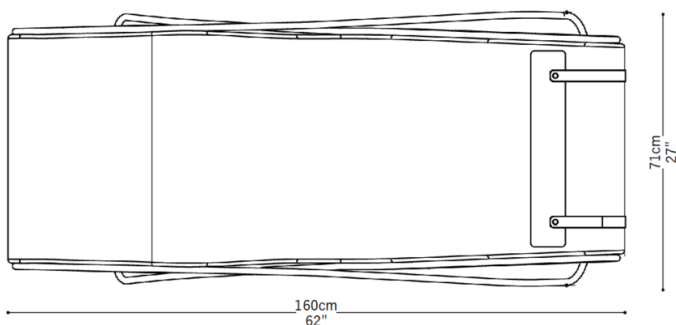

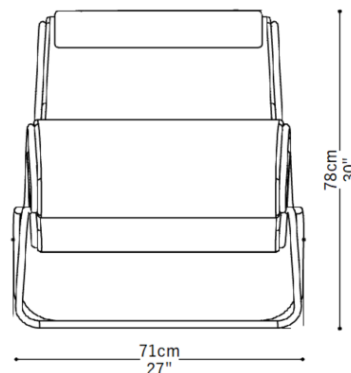

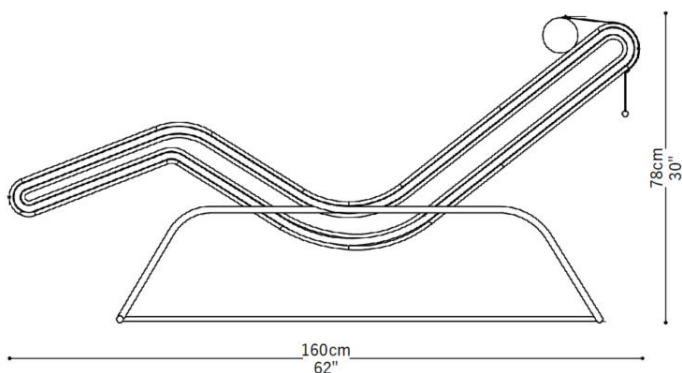

BY
Choque Design

The AOR Chaise, winner of the gold medal at the International Design Awards 2023, boasts an innovative open seat that conveniently stores books or a laptop. Its design includes an adjustable backrest and versatile support, accommodating various body types. Inspired by the elegance of the 1960s and 70s, this chaise evokes a sense of comfort, well-being, and nostalgia..
